

# EMPLOYER FEEDBACK

2023-24

**M.E.S. KALLADI COLLEGE, MANNARKKAD**

**Palakkad (Dt), Kerala**

**Pin 678583**

**1. Was the curriculum well designed?**

	Percent
Yes	66.6
No	33.4

66.6% of employers believe the curriculum is well designed, a significant 33.4% disagree. This indicates that while the majority are satisfied, there is room for improvement in how the curriculum is structured to meet employer expectations.

**2. Does the curriculum has enough content for a student to acquire sufficient knowledge to secure a subject related job?**

	Percent
Yes	50
No	50

50% of the respondents highlighting a critical gap in the curriculum's effectiveness. This suggests an urgent need to reassess the content to ensure it adequately prepares students for job-specific requirements.

**3. Does the curriculum has good balance between theory and applications?**

	Percent
Yes	65
No	35

65% of employers agree that the curriculum strikes a good balance, but 35% still see deficiencies. While the majority is satisfied, further adjustments could enhance the integration of theoretical and practical components.

**4. Does the syllabus have content for developing skills to handle work place problems?**

	Percent
Yes	58
No	42

With 58% positive responses, the curriculum moderately equips students to handle workplace challenges, but 42% of employers find this aspect lacking. Addressing these concerns could improve graduate preparedness for real-world problem-solving.

**5. Does the curriculum design has focus on employability?**

	Percent
Yes	52
No	48

52% of employers believe the curriculum focuses adequately on employability, while 48% disagree. This close divide suggests a need for stronger alignment with job market demands to enhance employability outcomes.

**6. Does the subject/courses help in developing personality of students?**

	Percent
Yes	70
No	30

70% of employers agree that the curriculum supports personality development, but 30% feel it could be better. This indicates a relative strength of the program while leaving room for further enhancement.

**7. As an employer, are you satisfied with the performance of the student?**

	<b>Percent</b>
Yes	72.2
No	27.8

72.2% of employers express satisfaction with student performance, though 27.8% are not fully content. This reflects positive outcomes overall but points to areas where graduates could be better prepared.
