MES Kalladi College, Mannarkkad maintains a healthy and congenial academic environment for the students. The institution offers protection to the new entrants from the menace of ragging. In this regard this institution has constituted an Anti- ragging cell. Also, an Anti-Ragging Squad has been deputed from all department to monitor students discipline both inside and outside the campus.

The primary objectives of our Anti-Ragging initiatives are to:

3. Provide support and counseling to victims.
4. Enforce strict disciplinary actions against perpetrators.

Measures Taken:

1. Policy Implementation:

Our institution has formulated and implemented a comprehensive Anti-Ragging policy and displayed in both College website and in a site board at the college entrance gate, clearly outlining the prohibition of any form of ragging and the consequences for offenders. Also, this policy is communicated to all students and faculty members upon admission or joining the institution.

2. Anti-Ragging Week Observation:

An Anti-Ragging Week Observation was conducted in the current academic year to educate students about the detrimental effects of ragging and to emphasize the importance of mutual respect and dignity. Competitions like poster making, poster exhibition, logo making, essay writing, digital poster making etc were conducted. The programme was a success with the active participation of students.

3. Orientation Programs:

As part of Anti-Ragging Week Observation and Induction Programmes conducted for students at the beginning of the academic year, mandatory orientation programs were

organized for new students, during which they are briefed on campus rules, regulations, and the zero-tolerance policy towards ragging. Senior students also participated in these sessions to promote a welcoming and supportive atmosphere. We have also conducted exclusive orientation sessions at college hostels to maintain a peaceful atmosphere and friendship among the hostellers.

4. Surveillance and Monitoring:

The campus is equipped with surveillance cameras strategically placed in common areas to monitor activities and deter any potential incidents of ragging. Regular patrols by security personnel and the teaching faculty also help maintain a safe environment.

5. Prompt Action:

Any reported incidents of ragging are promptly investigated, and strict disciplinary action is taken against the perpetrators in accordance with the institution's policy. This may include suspension, expulsion, or legal action depending on the severity of the offense.
