MES which has just completed its glorious 50th Year, is the largest corporate educational agency of the Muslims in India, with more than 150 educational institutions, including Medical College, Dental College, Engineering Colleges, College of Nursing, Post-Graduate Arts & Science College, B.Ed Colleges, CBSE Schools, State Syllabus Higher Secondary School and Industrial Training Centers with more than 60,000 students and around 15,000 employees. Hospitals, Orphanages, Old-age Homes, Special Schools for Mentally Challenged, Cultural Complexes and various hostels draw up the broad canvas of services offered and activities undertaken by the society. The MES has registered its presence not only in India but in all the Middle East nations and enjoy the patronage of people from all the quarters as a politically neutral body and extends its services to all, upholding its secular fabric.

ABOUT OUR COLLEGE

MES Kalladi College, Mannarkkad is the proud symbol of the Muslim Educational Society, Calicut to the cause of higher education in Kerala, especially to the educationally backward areas of Malabar. This is the first college started by the MES and it is also the felicitous outcome of the noble endeavor of the late Kalladi Cheriya Kunhammed Sahib and the local public. College is located in a vast area, a major part of which was donated by the late Janab Valayadi Kunhayammu Haji.

The college started functioning as a junior college in 1967 and the College was formally inaugurated on 12 November 1967 by the Minister of Education Sri. C.H Muhammed Koya. The college was upgraded in 1971 with the introduction of degree courses in History, Economics, Mathematics, Botany and Commerce. Further it was upgraded as a Post Graduate college in 1978 with the introduction of M.Com.

The departments of History, Chemistry and Economics got upgraded as Research Centers in 2016,2017 and 2022 respectively with High tech lab facilities, Research Halls and Research cubicles. At present the College is offering 20 Under Graduate Programmes (UG), 9 Post Graduate Programmes (PG) and One Integrated PG Programme and 3 Research Centers in various Disciplines of which 11 programmes are in the Self Financing stream. This Institution has well equipped laboratory facilities in Chemistry, Botany, Zoology, Physics, Mass Communication, Food Technology and Computer Science. The College Library is automated with more than 50,000 bar coded books and journals. Library has a separate digital section with broadband internet connection and INFLIBNET facilities by which students have access to E-journals and E-books. Presently the library is in its process of modernization with RFID system. The two well equipped computer centres offer short term courses for students along with their regular programmes. College administration is facilitated with Enterprise Resource Planning (ERP) software and the implementation of E-learning with ICT integrated classrooms is completed. The college is renowned for its achievements in sports and games in the national and international levels. The infrastructure includes a playground with 400 meters track, Indoor Stadium and gymnasium for physical fitness and training. The college has remarkable achievements in A-Zone and Inter-Zone arts festivals.

MES Kalladi College Mannarkkad is re-accredited by the NAAC with A++ Grade(CGPA 3.51) in it's fourth cycle in 2025

We are even proud to be the very first college in Palakkad District to receive A++ Grade (CGPA 3.51).

The Emblem of the college,

a toothed wheel with embellishments from the Quran and a writing hand in the centre, represents the vision of the institution to uplift the society to the realm of the modern education by exploring the depths of knowledge. The toothed wheel indicates the progress through technological advancement by holding fast to the values of human life with a belief in the exalted divinity. The Quranic inscription on the wheel sheds light to the fact that "it is God who taught by the pen. He taught the humanity that it knew not". The writing hand in the center of the wheel established the importance of learning.

VISION

Mould exemplary citizens with **quality education** that encompasses competent spirit, scientific temperament, civic consciousness, and social commitment.

MISSION

To mentor and assist the underprivileged to guarantee their upbringing as self-reliant and confident individuals.

To deliver a culturally rich, inclusive educational experience for learners that will eradicate the barriers of discrimination on any grounds and uphold the nation's integrity and universal brotherhood.

CORE VALUES

- Inclusive excellence
- Integrity
- Equity
- Social commitment
- Community building
- Social justice

QUALITY POLICY

The leadership of the institution is committed to pursuit of excellence in the field of higher education in order to ensure holistic development of the students. We endeavor to achieve this objective by constantly improving our quality management through creative enrichment of learning experiences, adoption of Innovative teaching methods and continuous review of systems and processes.
