

*Academic & Administration Audit
Handbook*

Purpose of this handbook

The purpose of the Academic and Administrative Audit is to evaluate the performance of the university departments, schools and the centres and appreciate their achievements and give suggestions for further improvement of the quality of teaching, research, administration, and curricular and extra-curricular activities

How is this Audit conducted

The institution has engaged a third party firm, ePaathsala, to conduct the Academic and Administrative Audit in the campus. Later, the auditors interviews principal, faculty and students followed by a physical inspection of the campus.
